◎ BANGALORE

SKILL SET:

- Python
- Mysql
- HTML
- CSS
- JavaScript
- Bootstrap 5
- Time Management
- Leadership
- Team Work
- Quick Learner

EDUCATION:

2019 - 2023 JNTU K(Indira Institute Of Technology And Science)| B.TECH(CSE)
CGPA - 7.3

2017 - 2019 AP MODEL JR COLLEGE | MPC
CGPA - 7.17

2016 - 2017
Z.P.H.P School SSC
CGPA - 7.8

LANGUAGES:

- English
- Telugu

PROFILE:

I am enthusiastic about contributing to backend development projects using Python and MySQL. I am committed to continuous learning and excited to collaborate within a team to deliver active and innovative software solutions.

INTERNSHIP EXPERIENCE

Conducted research at **CATTAIN INTERNATIONAL SERVICES**, aiding strategic decisions. Developed proficiency in research methodologies, Analyzed data, produced reports, and honed research, communication, and teamwork skills.

PROJECTS:

Besant Technologies Bengaluru | Market Analysis and Business Opportunity Assessment in Bangalore

The goal of our project is to provide actionable insights to our client, who aims to start a new business in Bangalore but lacks information on the ideal location and product category.

Start-Date:2023-June-02   End-Date 2023-July-30

Besant Technologies Bengaluru| Banking management system connected to MySQL

The Banking Management System project successfully developed a User-friendly software solution for core banking operations, showcasing the integration of Python and MySQL to manage account-related activities effciently.

Start date:2023-June-20   End-Date: 2023-Spe-30

JNTUK(Indira Institute Of Technology And Science) | Credit Card Fraud Detection Based on deep neural networks approach.

Summary: In our project, mainly focussed on credit card fraud detection for in real world. Initially I will collect the credit card datasets for trained dataset. Then will provide the user credit card queries for testing data set. After cation process of random forest algorithm using to the already analyzing data set and user provide current dataset

Start Date: 2023-Jan-02   End-Date: 2023-April-10

CERTIFICATION:

- Successfully completed Python programming language ,SQL and frontend training from Besant Technologies Bangalore.
